

WELCOME TO CAPO'S CHICAGO PIZZA AND FINE ITALIAN DINNERS

Nestled in the heart of San Francisco's Little Italy, North Beach, Capo's is the brainchild of Chef Tony Gemignani. A classic neighborhood joint, the restaurant embodies Chef Gemignani's passion for high-quality, authentic, and comforting cuisine, featuring authentic Chicago style pizzas and Southern Italian cuisine. The restaurant's decor pays homage to prohibition era design aesthetics, with its rich oxblood leather booths, mahogany interior and bar, Chicago and personal memorabilia from Chicago's most notorious gangsters, and bricks imported straight from Chicago. From each bite, to each design piece, Chef Gemignani has designed Capo's to feel like you're dining as a part of his family, and now, we are pleased to offer private dining to suit every occasion.

Our restaurant is the ideal venue for family-style celebrations and cocktail parties for up to 50 seated or 70 standing guests.

Thank you for considering Capo's.
We look forward to helping you plan your event.
